

The Titahi Bay Community Group Committee hopes that you all have had a good summer break, and we look forward to providing you more information through our website, facebook and these newsletters throughout 2021.

Past events/highlights:

- Titahi Bay Christmas Fair was held on Sunday 20 of December 2020 on Whitehouse Road with a huge turn out. Big thanks to the organiser of this great local event. Here is our local councillor Geoff Hayward and Dalvanius Prime (dog) enjoying their time at the Titahi Christmas Fair.

- Mayor clinic was held inside the T Bay Cafe on 10 February 2021 with cr Michael Duncan and Cr Ross Leggett. There was also another Mayoral Clinic in Titahi Bay, on Saturday 20 February 2021 outside the library 9am-11am. Cnr Michael Duncan, Joshua Trlin, Nathan Waddle and Ross Leggett also joined.

Beach update

- Titahi Bay Beach has two summer wardens, Devon and Glenys. Have you had a chance to see them out and about? Stop and say 'hi' if you get a chance.
- Have you checked out Lawa's website. It provides information on water quality for swimming throughout New Zealand. You can check out there website here <https://www.lawa.org.nz/>
- With Summer in full swing and longer, hotter days, more visitors are at Titahi Bay Beach. This is a reminder to swim between the flags if possible, as there is a known rip on the northern end of the beach.
